SUBJECT No. 258.

Earth-work to branch channels of Hullahalli and Rampur nalas.

Mr. E. Rama Rao, Nanjangud Municipality.

Summary of discussion.—The raiyats holding lands under the branch channels of Hulhalli and Rampur nalas are required to do earth-work. There is, however, no difference between these raiyats and those holding lands under big nalas in the matter of paying kandayam and contribution and it is therefore unjust that the former should themselves do earth-work. It is prayed that the above system be done away with and the earth-work ordered to be done at Government cost.

Reply of Government.—Cannot be done.
